The Monthly Newsletter of the **Colorado Shaketails** The Oldest Cowboy Action Shooting Society in the Colorado Territory Shooting at Ben Lomond Gun Club, Ramah, Colorado

RATTLER TATTLER

Volume 17 Issue 3

**March 2006** 

FROM THE MAYOR'S DESK

Howdy Folks, Sorry about the *Tattler* last month. Things were out of my control, and we will do better from here out. The February and March standings are in-

cluded here.

I want to tell you about some changes at BLGC, as well as discuss some changes at SASS and their affect on our shooting at the Shaketail.

\*The shotgunners have new gear and are building a sporting clay range. Mel Hensley is setting it up so they'll be able to do more than just one thing with the new equipment. This is an exciting event at BLGC – we haven't had growth in the other disciplines for years. Kudos to the board of directors for pushing this forward. It can only make all of the BLGC disciplines stronger. I've pledged the Shaketails' support to help anyway we can. I'm sure anyone who hasn't shot this sport will want to give it a go.

\*Shaketails now have control over match fee money, and we need bookkeeping help. Simple Excel knowledge is all it takes, since we don't have a lot of expenses. Call me, Slim or Walker and we'll explain how easy it is.

\*With the Annual coming up, we also need help with other things – building props, painting buildings, food preparation, etc., so please stand up and help.

\*Kansas Kid is heading up the parade committee. If you'd like to be in the parades, contact him to be on a phone list.

\*SASS is making rule changes to level the playing field for everyone. One of those changes is a minimum 650fps velocity for ammunition. We will start enforcing the 650fps minimum beginning next match. You can still shoot ammo less than 650fps if you choose, but you won't be ranked in the match. If you have any questions about your ammo, we have access to a chronograph and can help you out there.

\*Along this line, in the Spirit of the Game, we'd ask shooters to not mix light and heavy loads to beat the knockdown targets. If you're using heavy loads, use them all the way through, and if you're using light loads, use them all the way through. We think this is the Cowboy Way.

\*Summer schedule starts in April, meaning we'll shoot 5 stages, so come out and throw lead down range at those small far-away targets.

Keep your powder dry.

**Yaro** 

## **COWBOYS AND BEN LOMOND CLUB ELECTIONS**

**BLGC Members:** Ballots for the election should arrive mid-April. They **must** be returned by the end of April. There are many issues that will affect the entire club facilities, and effective leadership is critical, regardless of your shooting interests.

Since the ballot won't list cowboy "aliases," here's the lowdown on who's who on the ballot.

Yaro is running for Elizabeth Chapter Director as John Bartholomew. Colorado Swede is Jon Swanson, current Board Member. He's worked up a plan to expand the camping facilities. Ric-a-d-split is Rick Phillips, running for Board Member At-Large. Burgundy Ballou is Vicky Phillips, doing an inspired job as BLGC Secretary.

There are other folks that will help move the club for-

ward so the members will have improved facilities. Mel Hensley is doing a great job managing an upgrade plan for the shotgun facilities from concept to reality. He's running for Club President. George Wright has done an outstanding job as Vice President. Colorado Springs CD Amy Willard and Franktown CD Steve Davis are both valuable members of your Club leadership.

There are many important issues concerning club growth and improvement. Range and property upgrades need to be done correctly, legally, and without wasting your money. Consider who would best lead the club to the future, and regardless of who you chose, please make sure you vote and return your ballots in a timely fashion. Remember, EVERY VOTE COUNTS!
