## FROM THE MAYOR'S DESK

Howdy Folks, watchin the grub.

As I sit here Although we didn't have a big thinking about the bunch of shooters we had a January shoot I whole batch of die hards that look back on a lot came to shoot and there were of years shootin with some of the those that hit white out finest folks that a man could be conditions around Falcon and with. made the right decision to turn back. There will always be

What a Blessing those that another shoot ifin you are here to come to shoot and help are to all come. of us.

We had a small blizzard before brought plenty of grub that was the match and as we started the one of the highlights of the day. safety meeting we had the sun I was able to stand guard over show up which of course made it the food just to make sure that a lot warmer, LOL. Although the no one but me got a head start sun was out, about mid way on it. through the good ole wind showed up to put a chill on In December there were some things. At least that's what I'm papers passed out that accused told, remember I was on guard some of the Shaketails of wrong

doing. Although this person was warned beforehand that his information was false and that the party or parties that gave him the false information were trouble makers with their own vindictive agenda, he chose to go ahead and dispense the misinformation, trying to cast doubt on these men's good character. This kind of thoughtless, vindictive action should not be tolerated and is clearly in poor judgment. I would like to request that in the future complaints be handled in a more appropriate manner. Please bring concerns you have to me or to a Town Council member so that it can be discussed and resolved.

God Bless

**Yaro**
