## NOTES FROM THE RANGE

Well, we opened a new chapter for the Shaketails this month and it got off to a great start. As many of you know, this was my first month as the Match Director. I appreciate everyone's support for making me the Match Director and I won't let you down. We want to move forward and make this a great club. There are many changes ahead that will move us in that direction.

Our stages showed some changes this month. The targets were a bit more shooter friendly, but still presented a challenge.

We had 29 registered shooters as well as several spectators who got in on the fun. There were several old friends that we haven't seen in a while came by to shoot this month. Diamond Curley, Big Dave, and Levi Slade to name a few. It was good to

see them on the range and hope to see them more in the future.

The Colorado Shaketails have become a separate organization from the BLGC. We will continue to shoot at the range on the same schedule as before. We did this so our shooters could have more of a say in our organization. Our agreement with BLGC allows us to use the excellent facilities they offer and I encourage everyone to support the BLGC in return.

We plan to open membership to the Colorado Shaketails organization next month. This will allow the shooters to have a say in how the club is run and who our leadership is. The current board of directors is Yaro, Shootin Hoister, Silverton, K-K and Myself. Board Members in the future will be elected by the voting membership as will the Territorial Governor and Match Director. The first election will be held around the

time of our next Annual.

I would really like to see our membership grow and the shooters give input to the way we are headed. Please consider becoming a Colorado Shaketail and help make this the great club I know it can be.

Anyone who has an idea, suggestion, or question can contact me at [wkeeney@earthlink.net](mailto:wkeeney@earthlink.net) or just speak to me at the club. I am approachable and always open to suggestions.

We want to run a safe fun match where shooters want to come back and tell their friends that the Shaketails are a good crew to shoot with.

See you on the Range next month
