NOTES FROM THE RANGE

Despite the gloomy predictions, there didn't seem to be much of a primer shortage this month for the Shaketails. 17 shooters showed up on the overcast morning to join in the fun. Within an hour the sun peeked out and it turned into a great day of shooting.

I want to thank everyone for coming out. Next time bring a friend. The more the merrier.

For those that haven't heard SASS did some changes to the categories. They combined Traditional and Modern into two age based categories. They are Cowboy Category shooters are competitors of

the any age range. Wrangler Category shooters are competitors 36 years of age or greater. Basically they decided that unless the categories specifically calls for fixed sights, (i.e. Classic Cowboy,) adjustable site weapons can be used in any age based category. I guess this will get some getting use to.

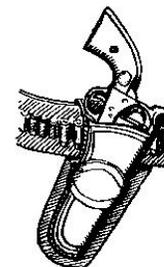

Shaketail XX is just around the bend. Plans are in the works so get your ammo loaded and be on the lookout for your entry form. We are looking for folks to help out with the planning and coordination. We will need sponsors, waddies, and folks with good ideas about how to make this a great match. Talk it up; we want a big turn out this year. I will

do everything I can to make it a great time. Anyone who wants to help, contact me or Midnite Slim.

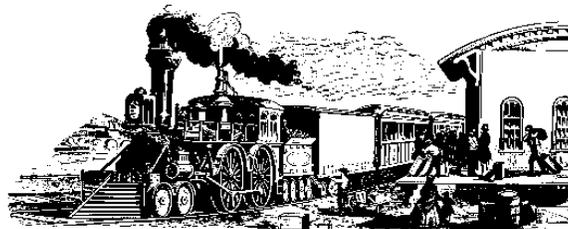

For now, plan on coming out to the range from the 31st of July to the 2nd of Aug for Shaketail XX. See you on the Range

Just a reminder that we could use some extra help with setup on Saturday and teardown on Sunday afternoon. Please pitch in if you can.
