## NOTES FROM THE RANGE

Fall is here and what a beautiful day for shooting we had. Warm and sunny with a nice breeze and a great bunch of shooters. The stages were challenging and fun

and the shooters were as good a group as has ever been there. And it was ladies day, with 5 lady shooters on the range showing the guys how to do it and keeping every body in line and some behind the line. It was as enjoyable a shoot as I have been to.

We had quite a few new shooters join us this weekend and we were glad to have them with us and hope they continue to come back. Bristlecone Jan, Fairplay John and Abbieta shot with us for the first time and I hope they continue to come back and shoot more. D.A. Russell and Okotaks came back after a short break doing other things. We continue to grow and are doing well and will keep moving forward with the continued support of our members and new shooters.

As for members, it's that time of year again. Time to get your membership renewed. We've been a bit behind with notices this year due to recent changes in the BOD but we are moving ahead and need to get everything going. With your help the membership process will go smooth and we can concentrate on putting lead down range again. Send renewals to Dirty Polecat as he is the new Treasurer for the club. His

information is in the Tattler along with the names and new position of the BOD. Let's help him get through this with as few problems as we can. Thank you.

As always I personally want to thank all who come out to help set up and those who stay after to tear down. These are the mundane tasks that make the shooting possible and I urge everyone to step up and help out. There is always help needed and too many is always better than too few. Thanks to Shootin' Hoosier our storage trailer has been sealed from the elements and will keep our stuff dry. Thanks Lane, Hoosier and Okotaks for getting stages setup Saturday. Every one that helped tear down & load up Sunday, Steel Belle, Bob Wire Rich, Maker Write, Fairplay John, K-K and as always Haywire Snuffy. Also I need to thank everyone that put on the shoot in Sept. so Snuffy and I could take some time off. Thank you everyone, it was much appreciated.

As I was not there in September I did not get to embarrass Yaro by saying farewell to him as our President. Yaro has been with this club a very long time and will be sorely missed as a mentor, director and the reason this club is still going forward. I hope that we can do justice to his vision and continue to grow and strive to get better. I know that he will be there to shoot and will continue to support us through BLGC and will help with any task put before him for this club but he will be missed as the leader who got us to this point. He is the reason I have continued to shoot and I am where I am as Match Director today. Thank you sincerely and may God ride with you where ever you go.

So until we meet on the range again; Keep your powder dry and remember lighting a match in the out house can provide more light than you really need.

## TG's Corner

The SASS Convention and Territorial Governor's Summit is rapidly approaching. It is a few days later, December 9-12, so it does not fall on our shoot date this year. If you have not had the opportunity to attend before, this might be a good year to give it a try. Hotels are exceptionally inexpensive in Las Vegas right now. If you are planning to attend, let me know.

Speaking of the Territorial Governor's Summit, the agenda just came out this past week. Those on the Shaketails Member's email distribution list will be getting a summary of the agenda items from me for comments.

I am still looking for pictures from the annual. Please get your pictures to me and I will be posting some of them on the web! Here are the ladies that shot this month.
