NOTES FROM THE RANGE

Sounds like it was a good day on the range today. Sorry I wasn't there but I was doing some high steppin' and sh...ootin' of my own for the better part of the day. And with

Hoosier & Silverton down with medical problems it was a bit short on Board members today. John Henry & Dirty Pole Cat handled it with style and finesse, well Pole Cat did I'm sure. I kid John Henry a lot but he has been indispensable to this club and to me and Snuffy. Thank you for all you do. And thank you to everyone that helped today and always help us out. It would have been good to be there what with the weather being perfect for shootin' and all, but some things just can't be helped. Oh well there is always next month.

On to other business. We have put out a call to all our shooters to see what you think about moving the Annual to the third weekend of August. We have received only limited feedback that I have heard so I am asking for any that you have. We need to get this voted on so we can let FSC know and can get on their calendar for next year. I know you think it is way too early to start thinking about this but we have to begin planning as soon as one Annual ends. It is only 9 months until the next one after all. You can find the BOD members E-mail addresses on the web site, so please let us know.

As we move into the colder months we may have to cancel a shoot due to weather. I hope it doesn't happen but the chance is always there. We will keep an eye on the weather and determine whether to shoot or not based on that.

We will put that out on the website the Saturday night before. So keep an eye out for that this winter.

Well that's all I have for now, so... Until we meet on the range again, keep your powder dry and go easy on the avocados.

Midnite Slim

TG's Corner

As Midnite Slim mentioned, we were really light this month as a number of regulars seem to be having problems. I had my truck all packed and ready to go but a gout attack overnight put me out of commission. A real shame because the weather was just about perfect. Hopefully it will work out better next month.

Make sure to get out and exercise your right to vote!
