## NOTES FROM THE RANGE

Happy New Year to all. It was a great way to start the New Year. The weather was as good as you could ask for and the shooting was the same. Thank you to everyone that came out and shot with us. We had a real good day, 4 stages and plenty of people to move right along and get done quick. The stages were simple and easy as they should be when you don't know what the weather is going to be like. We will continue with 4 stages until daylight savings time begins then go to five. I am looking forward to that as it means warmer weather and more daylight. I find myself become more of a fair weather shooter every year that goes by.

The day started a bit cool but warmed up nice as we got rolling. The shooting heated up too and several folks shot clean stages, Hoosier almost cleaned the match. Way to go. All in all it was a very good shoot. I hope that next month is as good weather wise so we don't have to cancel. Keep an eye on the web site just in case.

We had several folks stop by to watch what we do and hopefully we will have some new shooters join in the fun. They all seemed to enjoy shooting a stage at the end. It would be great to have more shooter join us, so if you know anyone that would enjoy this or wants to give it a try, bring them out. We would really like to get

more ladies and kids involved. And speaking of kids, we may be doing a benefit again this year to introduce kids to shooting sports. We will let you know as that develops. Also we will be holding our annual a bit later this year. We are doing this to get a little relief from the heat and to let everyone enjoy Labor Day. We will have 2 shoots in August. Our regular monthly shoot and then the Annual. We will not shoot in September and take a nice break. Dates will be posted soon and anything else that comes up we will post on the web.

That's all I have for this month, so until we meet on the range again; Good shooting and have a Happy New Year.

### TG's Corner

I wanted to remind everyone that if you are a member of Frontier Sportsman's Club, it is time to renew. You need to go to the FSC website and print the form and send it in no later than February 28th.

We have been asked by the Pikes Peak Chapter of the Mule Deer Foundation to help with a kid's educational event on Saturday May 4<sup>th</sup> at the Rocky Mountain Roosters facilities. Last time we did this, more than 200 kids showed up. It was a great event. If you think you can help, please let me know. I need 4 or 5 committed for me to agree to support this great cause. We would be demonstrating and explaining Cowboy Action Shooting. Happy New Year,  
*Shootin Hoosier*
