

RATTLER TATTLER

Volume 24 Issue 11

November 2013

NOTES FROM THE RANGE

Shootin' Hoosier sittin' in the saddle this month. We missed getting a Tattler out last month due to my travel schedule. I am finding

myself in airplanes a lot of late, making it challenging to keep up with anything not job related. Just a reminder that you can usually find the score sheet on the website even if the Tattler is late or missing.

We changed over to the Winter 4 stage shoot schedule but had a 5th Fun Stage for those that wanted to give it a try. The temperatures were great for November but the wind was unrelenting all day. Most of us had to give up on the hats, even with hurricane straps. Even the rubber chicken tried to blow down range and there was an advancing army of tumble weeds to contend with. We had a new shooter join us. Bob Wire Rich brought his better half, Misty, to give it a try. We hope to see her back in the future. I also wanted to give special mention to Mayhem Matt who had only one miss.

There are few items of business to cover. As was announced a couple of months ago, Midnite Slim has stepped down as match director. I want to thank him for his years of dedication to the Shaketails. We could not have gotten through the last couple of years without him. I want to welcome Clinch Cutter who will be assuming the MD role. I also want to thank Drifter Don who stepped in during

the transition to write stages and help organize the shoots.

We met with the newly elected Board of Directors for Frontier Sportsman's Club last month. We have confirmed our shoot dates for 2014. We will be holding to the same schedule of the 1st Sunday of the month. I also want to remind shooters that we are removing the locks on both gates on shoot days but it is very important to close the gates behind you when you come through.

Finally the Territorial Governors Summit is coming up the first week in December. This year will be the first time that I will not be able to attend due to job responsibilities. However, I will see if we can get our vote turned in via proxy. I sent out an email to members soliciting input on the 4 voting issues. If you missed it or are interest in what is being voted on drop me an email and I send it to you.

Hope to see you at the range.
