## NOTES FROM THE RANGE

Just like our first aid said what a day. I would like to think John Henry Johnny Ringo and Plum Bob for their continuing efforts on the trailer to get it in closed. It was good to see all of the fellow shooters of the Shaketails and everybody had a good shoot and there was several clean stages. A new shooter James joined us today he is a wounded warrior from our nation's armed forces. I would like to send out a special thanks from the entire club for his service to our country thank you James. For everyone that wasn't able to make it out today I hope to see you next month so we can enjoy a good time and fellowship thank you.

In closing when you see John Henry Johnny Ringo and Plum Bob at the range thank them again for all the hard work.

### TG's Corner

It was nice to finally get some warmer weather for our shoot this month. It would have been even better had the wind not been so fierce. Many of us had to finally give up on keeping our hats on after having to chase them to the back of the bay several times.

The work posse of John Henry, Johnny Ringo and Plumb Bob again spent the weekend at the range making progress on our storage situation. We may be to the point where one more good weekend can finish it. Then comes the awning. We'll

need some more help for that task so please consider coming out and lending a hand when the time comes.

I am also still looking for volunteers to work with the Pikes Peak Chapter of the Mule Deer Foundation to help with a kid's educational event on Saturday May 10th at the Rocky Mountain Roosters facilities. If you can help with M.U.L.E.Y. Kid's Day, please let me know. We will be demonstrating and explaining Cowboy Action Shooting.

See you at the range.
